

Our fabrics 5 years guarantee protects against anomalous yarn deterioration or excessive colour loss under normal weather conditions, a proper use, exposition, installation and/or maintenance, according to the instructions provided by manufacturer.

Guarantee does not cover costs for sewing, accessories, installation or setup and is only responsible for supplying new equivalent fabric if unserviceable.

The guarantee does not apply if there is inadequate use, nor accidents such as cigarette burns, holes, cuts, etc.

We reserve the right to claim the fabrics for inspection by our laboratory and an independent Spanish laboratory.

Guarantee starts from the date on the invoice and does not extend to replaced fabrics.

Our test results have been certified by Aitex.
