

RUFUS & COCO®

Well Bred Petcare

Product Catalogue 2019

Introducing the Rufus & Coco range of Well Bred Petcare

Rufus & Coco is Australia's fastest growing and most awarded pet brand.

At Rufus & Coco, everything we do is built around the promise of providing Well Bred Petcare for pets and pet owners across the world.

Our tested and proven range for pets includes cat litter, grooming and cleaning products, toys, fashion accessories and vitamins.

- **We love helping animals in need** - We are passionate about giving back to animals in need and support the Australian Pet Welfare Foundation in their mission to end unnecessary euthanasia in Australian pounds.
- **We do not test on animals** - We believe that testing on animals is unethical and unnecessary, which is why we take pride in the fact that our products are ethically sourced and are more of a natural alternative.
- **We respect mother earth** - We also strive to make choices that are kind to mother earth.
- **We create Best of Breed products** - We don't rest until our products offer an improved solution and our testing results prove it.

Why Rufus & Coco?

Here are 5 great reasons:

1. **We're Different.** We look and sound different ... and consumers notice! Rufus & Coco has paid special attention to having concise ranges to better utilise shelf space (we understand that retail space is limited).
2. **Stylish Packaging Design with Great Shelf Appeal.** Impactful packaging with unique product colours and simple consumer friendly language aids consumer self-selection. Our packaging aims to leverage the 'humanisation' trend because we know that customers want products for their pets that are packaged as well as products they would buy for themselves!
3. **Premium Quality.** Australia is known for having one of the highest standards in veterinary products in the world. Veterinary grade and APVMA registered products are made by manufacturers with GMP, TGA and APVMA licences.
4. **Australian Made.** Our vitamins and grooming products are made in Australia and the rest of our furrific range is designed in Australia.
5. **Proven Success.** Launched in 2008 and now available in nine countries across the globe with ongoing expansion.

Every PET Counts

We support Australian Pet Welfare Foundation & Pet Rescue groups across Australia

Every year in Australia, up to 100,000 treatable dogs and cats are killed in pounds and shelters.

The Australian Pet Welfare Foundation believe it doesn't have to be this way!

We've joined them on their mission to achieve a zero euthanasia rate.

We are socially & environmentally responsible

Supporting Australian Business

- We partner with Australian manufacturers for our high quality grooming & vitamin ranges

Environmentally Aware

- We use natural, quality ingredients in concentrated products - so there's less waste and consumption
- We choose to use biodegradable or recyclable plastics

Corporate Responsibility

- We take our financial and legal responsibilities seriously and pride ourselves on compliance
- Our products and procedures comply with Australian standards

Proudly Australian

Rufus & Coco is 100% Australian owned. All Rufus & Coco vitamins and grooming products are proudly made in Australia. Our accessories are designed in Australia.

Be a clever cat too...
Choose the litter with proven performance

Wee Kitty®

Clumping Corn Litter

Our revolutionary cat litter is created from biodegradable corn pellets with clumping technology. Once soiled, the litter forms scoopable clumps, which means that cat owners can simply scoop up and discard the soiled litter without wasting the whole tray. It is the only litter on the market that incorporates every single feature that humans (and cats) look for!

Wee Kitty®

Clumping Corn Litter

Fast Odour Control

Within five minutes of use, no ammonia odour remains
Unlike crystal litter, which needed 45 minutes to absorb odour in laboratory testing

Environmentally Friendly

Environmental footprint is reduced by using less litter than competitors through better performance

Extra Absorbent

- Proven to absorb 4 times its weight in liquid
- 6x as much as paper
- 3x as much as wood
- 1½ x as much as crystal

100% Natural & Biodegradable

- Natural product made from sustainable corn
- Wee Kitty is biodegradable, mulchable, and free from harsh chemicals or toxins

Concentrated Clumping

- Scoopable clumps. Simple & mess free
- Clump stays firm, retaining 99% of its mass after 16hrs

Flushable & Septic Safe

- Safe to flush or for use as surface mulch
- Litter completely dissolves within 20 minutes when submerged in liquid

Lightweight

Wee Kitty is designed to be light enough to handle bags easily, while heavy enough to stay in the tray while your pet scratches around!

Lightweight

Low tracking & paw friendly

Wee Kitty Clumping Corn Litter 4L (2kg)

4L / 2kg

Suitable for: Cats & Kittens

One 4L bag lasts up to 4 weeks

Our Values

Everything we do is built around the promise of providing well-bred pet care to ensure that pets around the world look good and feel great.

The values we live by which help us deliver our promise are:

Trusted

As proud Australians, we are friendly, approachable and genuine. We take the care of your family member seriously. After all, your pet's health and happiness is our core purpose. We work hard to be experts in our field and worthy of your trust. We set high standards to ensure that you receive reliable expert advice and quality products. We believe in doing what is right for pet owners, their pets, and for the environment at large.

Passionate

We love animals! We come to work to develop, market and sell products that can make a difference to their wellbeing. We actively participate in the community to spread our passion and help animal causes. We love what we do and prove it – actions speak louder than words!

Aspirational

We avoid being average by putting a little extra into everything that we do. We constantly set new standards and stick to them. We don't believe in compromise.

Dynamic

By constantly being relevant, desirable and contemporary, we aim to delight both new and existing customers. We are nimble and not afraid of change. We don't believe in being complacent or reactive.

Award Winning

Rufus & Coco is Australia's Most Awarded Pet Brand. We have expertise in product development has been recognized in Australia Business Awards, such as:
