FRONT RUNNER CAMP TABLE 2.0

There are multiple ways to mount the Front Runner Camp Table 2.0 to the UltraPlate. Here are some pictures to give you an idea.

Here's how it should look when using the mounts.

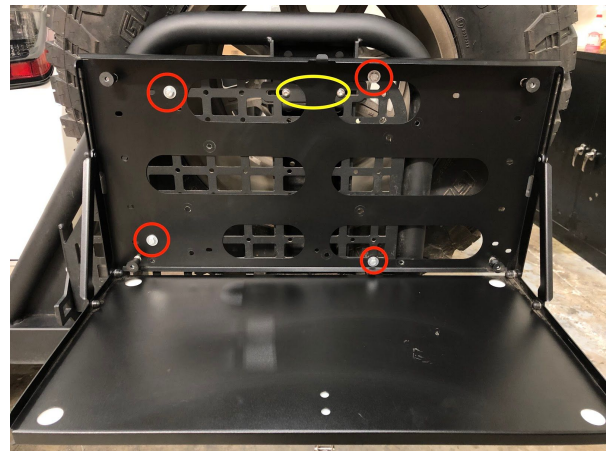

Yellow: Make sure the center of the table backing is in the middle of where UltraPlate mounting hardware protrudes

This is the recommended spot for drilling.

Red: Drilled holes

Yellow: Make sure the center of the table backing is in the middle of where UltraPlate mounting hardware protrudes

This is a higher option that will give you a higher table top. This is a great option for Subarus and taller folks.
