

About Somfy

Somfy's leading smart management solutions for homes and buildings have been improving people's daily lives for over 50 years. Developed with comfort, ease of use, security and sustainability in mind, our innovations automate and connect rolling shutters, curtains and blinds, gates and garage doors, lighting and heating, alarm systems and more. We are committed to creating useful solutions that are accessible to all, designed for today and beyond.

Wake up your home

Easily transform your existing curtains
into motorised ones

somfy Building
happiness

Lift the curtain on a new lifestyle!

Fully take advantage of the smart life with Mornin'+, the new plug and play feature.

With Mornin'+, motorising your curtains has never been so fast: it will take you about five minutes! No additional work is required: directly plug Mornin'+ on to the rails for an effortless installation.

Battery Operated

Works with 3 AA Batteries

Easy & quick
installation

Add soul to your home!

It's time to let the sun in...

The mornin'+ app features a timer allowing you to customise opening and closing times; naturally wake up when the sun rises and kick back when it sets!

Timer

On a daily / weekly basis

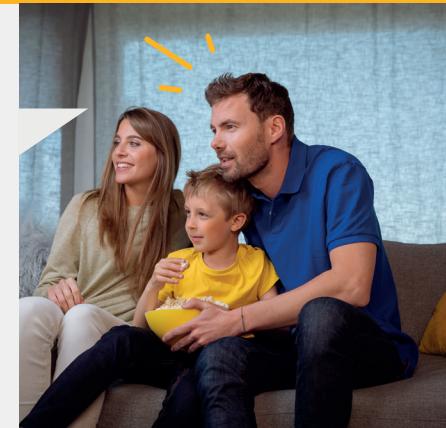

Your curtains meet all your desires...

Would you like to relax and spend quality time with your family? Close your curtains with the app's smart control feature.

Dual Operation

Can also operate manually

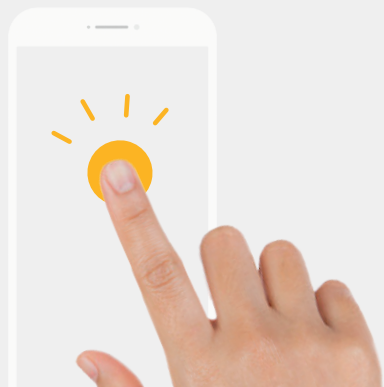

Turn your home into a playground...

With its user-friendly interface and QR code system, easily share your device settings among family members to use Mornin'+ from several smartphones.

Family-friendly

QR code generator

With Mornin'+, new and exciting possibilities are only a tap away.

Because of its intuitive smartphone application (available for iOS and Android), make your existing curtains smart!
