PRODUCT WARRANTY

Product must be inspected prior to installation for visible defects or variation (colour, quality) to that ordered. Once installed, warranty will apply only to defective product. Any variations in product will be deemed to have been accepted if installed. A 10% colour variation from sample to supplied product is considered acceptable.

INSTALLATION:

This Limited Warranty covers material costs provided that such flooring is installed complying with LOOM+ Installation & maintenance guideline.

PROPER MAINTENANCE

- Most dirt comes from outdoors. Installing well suited doormats at the entranceways will prevent 80% of the potential dirt and moisture from entering the premises. To remain effective, doormats should be vacuumed daily.
- Legs on furniture, along with any angular edges or heavy weights should be placed on smooth protective pads to avoid damage to the flooring.
- Choose colour carefully based on where the flooring will be used.
- Never use acetone or polish on flooring.
- For daily cleaning, we recommend vacuum cleaning.

TERMS OF WARRANTY:

If a defect covered by this Limited Warranty is found within the warranty period, NFD will supply new flooring material of similar colour, pattern and quality to replace the defective area.

WARRANTY PERIODS:

Note: The warranty period will not be changed once a complaint has been recognized and resolved.
