DESIGN & INSPIRATION

Havas is a do-it-yourself pendant available in three sizes: 40cm, 50cm and 70cm. It ships unassembled in a small flat box. The fixture is constructed of multiple plywood slats that come together without the need of metal screws or glue. The intelligent structure is all made of untreated birch plywood. Havas was designed by Tuukka Halonen. Tuukka is a Finnish designer with an international background.
