CARE & MAINTENANCE

Plastic

Clean surfaces with a damp, lint free, non abrasive cloth and then wipe dry after cleaning. Ensure all cleaning solutions do not contain any bleaching agents, abrasives or solvents. Make sure to test on underside or non visible surface of the product first to ensure cleaner is compatible with material. Ensure that all the cleaning solution is wiped off the surface and is not allowed to sit for any extended period of time. Avoid placing hot or exposed objects directly onto surface to prevent scorch marks and heat damage.

END OF LIFE

A DesignByThem product can be returned to us at the end of its useful life for reuse or recycling as part of our product stewardship program. We will ensure that the product is recycled in its entirety without any material contributing to landfill.

NOTE

Product specifications are subject to change after date of print at the discretion of DesignByThem. Before placing any orders please confirm all finishes and dimensions with DesignByThem.
