HISTORY AND SNAGS AT RAWSON PARK

Scotland-Australia Cairn, Rawson Park, 2017 (David Carment)

Join us for a tour at Rawson Park. Our guides are Mosman Historical Society members. They will take participants to various places associated with the park's fascinating history and tell their stories. Among places to be visited are the pavilion and oval, Bradley Bushland Reserve, Keith Anderson's memorial, the Scotland-Australia Cairn and Mosman Drill Hall.

The tour takes about an hour. There is some easy walking over mainly flat ground.

Following the tour, John Dansie provides one of his famous sausage sizzles. If you prefer, you can have your own picnic. You may also wish to bring drinks and chairs.

There is no need to book.
