*** 2 OZ. Sample Class Rules:**

A. Definition: Age at date of shearing: On an animal's date of birth, the animal moves up to the next older class. For example, if an animal is born 5/5/04 and first sheared on 5/5/05, then the first fleece must be shown in the yearling class. If the second shearing of this animal is on 5/4/06, the second fleece is also shown in the yearling class.

It is the responsibility of the owner to apply the fleece division description in Part O, Section. However, the fleece judge will also determine if the fleeces have been entered in the appropriate division and, if not, move them to the appropriate division

B. Shorn Fleece Class Fiber Length Requirements

1. Shearing

a. Fleeces Shall:

1. be sheared, not brushed, from the animal
2. be sheared within two (2) years of the date of the show
3. have lock structure intact
4. be skirted and handpicked

b. Fleeces May Not:

1. have guard hairs removed
2. be washed after shearing

3. have crème rinse or other fiber chemicals applied prior to or after shearing.
2. Minimum/Maximum Length Requirements

- a. Alpaca:

1. Minimum fleece length to be 3 inches with no maximum for alpacas under 12 months of age at the time of shearing.
2. Huacaya: Maximum of 7 inches for 12 months and older at the time of shearing.
3. Suri: Maximum of 14 inches for 12 months and older at the time of shearing.
