

COMPACT LOW-COST INSULATION

The Foam Jack is an insulation cart that includes everything you need to get started for residential insulation or small coatings projects - at an affordable price.

Designed with affordability and power in mind, the Foam Jack is built with the best equipment in the industry - manufactured by PMC and Graco. It can easily fit inside a truck or utility van, without the need to purchase a full size rig. Output is 16 lbs per minute and up to 3,000 psi, withstanding up to 310 feet of hose.

Turnaround time is typically 2-3 weeks, allowing you to get started sooner.

FEATURES:

- PMC PF-1600 or PFX-1600 Machine
- AP3 Spray Gun
- Graco T3 Transfer Pump
- 50 foot TC Hose & 10 foot Whip Hose
- 25 CFM Air Dryer
- Material & Air Supply Lines Kit
- Allegro Complete 2-Man System
- Cart
- and other parts

*Material not included

APPLICATION:

- Residential Insulation
- Bed Liners
