- Sliced Turkey Sandwich | DOC's Shami**\$5.00

At DOC's, the only ingredients in our meats are smoke, spice and time. We never sauce meat in the kitchen. While we have some great regional sauces on the table, we hope you will try the meat on its own, to taste the care with which it has been prepared.

In keeping with southern tradition, we smoke exclusively with hickory wood. Everything we smoke takes lots of time, and unfortunately when we sell out, we are out for the day.
