

Funnel for 205 Litre Open or Closed Head Drums - DF1

Designed to make the emptying of liquids into 205ltr drums easy and thus improve "housekeeping", this funnel (complete with hinged lid) sits over the rim of the drum making it suitable for use with either open or closed head drums. With extra high side walls to help contain liquid and a raised profile ribbed surface to allow filters etc. to sit on and drain; this funnel is practical, robust and easy to use.
