Background

Arniston Bay is a place where the pace of life is slow. Where you can sit back, relax and soak up the South African sun. It's a place so special, it inspired a wine. It doesn't matter who or where you are, you can always enjoy a quiet moment from a busy lifestyle – an Arniston Bay moment – with a glass of Arniston Bay.

The winemaking

The grapes were harvested at optimum ripeness and during the cool morning periods. It was left on the press only for a few hours to extract the vibrant and rich colour. Only free run juice were used and fermented until dry with active cultured yeast.
