

HerbaLand

FUN GUMMIES. SERIOUS NUTRITION.

Herbaland is passionate about helping supporting healthy, happy communities. That's why Herbaland has launched the "Lend A Helping Gummy" Community Fundraising Program: to offer a healthy, fun, and inclusive alternative to traditional fundraising programs.

SUSTAINABILITY

Herbaland is committed to protecting our planet by minimizing our impact on it. That's why in April 2019 we switched over to compostable pouches for our best-selling Protein Gummies!

COMMUNITY OUTREACH

In addition to making magic in gummy form, we are a strong advocate of giving back to our community. We always do whatever we can to support community associations and charity events. We believe in giving more than we receive, because you can't measure happiness.
