KNIT PATTERN

by Janica York Carter | @janicacarter

Skill: easy

Materials

- 2 Skeins of DGY Recycled Silk Yarn Lux Adventure: Cherry Red
- 1 Skein of DGY Recycled Silk Yarn Lux Adventure: White Cream
- Size 9 US (5.5 mm) Double Pointed Knitting Needles (set of 5), or 16" Circular Needles for Magic Loop (not included)
- Scissors (not included)
- 1 Stitch Marker (optional) (not included)
- 1 Yarn Needle (optional) (not included)
- 1 Pom-pom Maker (optional) (not included)

Pattern Notes

- Finished Project Dimensions: Approximately 13" tall, 12" diameter
- Gauge: 12 sc and 13 rows = 4"
- Gauge is not crucial; once hat is desired diameter, stop increasing rounds and work even until the hat is at the desired height. Trim adds approximately 1" to the final height.
- This hat is made from the top down beginning with a magic loop. If you prefer, you may begin by chaining 2 stitches and working the first 8 single crochet stitches into the second chain from the hook. Work hat in the round in a spiral fashion; do not join rounds.

• I recommend using double-pointed needles because it simplifies the pattern as follows:
CO and work through Rnd 4 as written.

Beginning at Rnd 5, repeat the following 3 rnds until you reach desired diameter:

Round 1: Kfb in first st, k across ea dpn: (increases 4 sts)

Rounds 2-3: K around.

Work even until hat is approximately 1" from desired height before working trim as written.
