Diamond Origin: Natural

ADDITIONAL GRADING INFORMATION

Carat Weight: 2.11ct

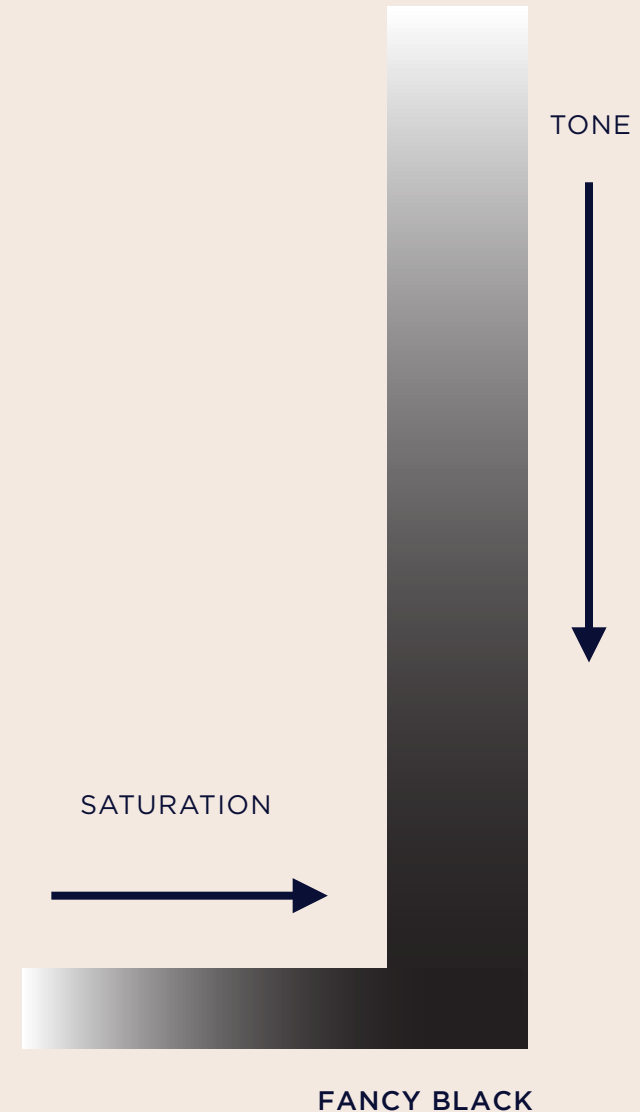

Color Grade: Fancy Black, Color Enhanced*

Color Distribution: Even

*Our treated black diamonds are either irradiated or subjected to low pressure, high-temperature annealing (graphitization) to provide a consistent color throughout.

“Like almost every black diamond used for jewelry, our natural black diamonds are treated to give them that mysterious deep black color.

Besides standing out in the crowd, black diamonds are a great choice if you want something really special at a great price.”

TERMS AND CONDITIONS

The results of this report refer to the specific diamond described and is not an appraisal for the insurance replacement value. For additional information, check out loopjewelry.com.
